50th Anniversary Group Portraits

Many have been asking about the portraits that were taken of the DAS as a group, and when they would be available. Well... they're available!

Size	Standard	Archival
8 x10	\$10.70	\$11.10
12 x 15	\$15.99	\$16.48

There were two portraits taken the day that we all gathered at Chamberlin. BOTH versions will be available. Samples of both versions will be at our meetings, as well as at S & S Optika.

Place Orders with Cathie Havens at S & S Optika; 303-789-1089 *by May 15*. Please state whether you want version 1 or 2, the size, and whether you want standard or archival. They will print by June 1st. This is a special ONE TIME pricing for DAS members. All prints will be printed in one batch. Prints after this run will be at normal retail prices.

Some have asked me about the roster issue, which in years past would have been mailed out to the membership by now. Please be patient. Even as I type this, Mr. Chuck Carlson, our treasurer, is working on the DAS database, from which we print out the roster. Chuck has recently transplanted the database from one application to another. Add to that the usual data entry and manipulation. That's a bit of work, and Chuck is to be commended for his willingness to undertake all of this.

This next bit involves some personal advertising. Those of you who know me realize that I try to keep my trap shut when it comes to controversy, arguing,

and politics. I try to remain neutral, and to maintain a forum for all sides. So... I feel that I deserve to speak about the following.

Very soon I'm going to be starting a little side-line biz; web site making and maintenance. I'll do both personal and business sites. I've done this sort of thing for the DAS and for others, for years now, on a volunteer basis. Now I'm going to see if I can

make a little cashola from it. My rates will be very reasonable. Do you want to put a little site up for yourself and/or your family? Advertise a product that you've whipped up? I'm your guy. Contact me and we can get started. If you don't have any disk space available for a web site, I can get it for you, for free. I can do for you what I've done for the DAS.

The DAS Deer Trail Dark Site is located about 60 miles due east of the Mouse Trap. To get there, take I-70 east to the Deer Trail exit (exit 328), turn left at the end of the exit ramp and turn left again after you pass the Texaco station on to CR 217. Take CR 217 a little over 1/2 mile to CR 34 and turn right (East). Stay on 34 about 6 miles until you get to CR 241. Turn left (North) on CR 241 and continue about 1.5 miles; there's a culvert with a wide gate on the right (East) side of the road.

About the Denver Astronomical Society

Application for Membership to The Denver Astronomical Society

() New () Renew

The DAS is a group of amateur and professional astronomers sharing a mutual interest in the heavens. The DAS operates the University of Denver's Chamberlin Observatory with its venerable 1894, Alvan Clark, 20" refracting telescope. Our members have been involved with the first public planetarium at the Denver Museum of Natural History and the Smithsonian Astrophysics Observatory's "Moon Watch" program. The DAS successfully petitioned to have the Chamberlin Observatory listed on the National Register of Historic Places.

Our Credo is to provide members a forum for increasing and sharing their knowledge, to promote and to educate the public about astronomy, and to preserve the historic telescope and observatory in cooperation with the University of Denver. To these ends we have established three tax deductible funds; the Van Nattan Scholarship Fund, the Chamberlin Restoration Fund, and the DAS Dark Site Fund. This last fund was established to construct and maintain observing facilities sites near Deer Trail in eastern Colorado.

Please call our Info Line at (303) 871-5172 and drop by one of our General Meetings. Become a member and enjoy speakers, facilities, events, and our monthly newsletter, The Denver Observer.
